

# Invest In You

Family Self-

Program (FSS)

Sufficiency

Invest In You is a self-sufficiency program designed to help families in the Fayette County area that are on section 8 or public housing residents. This program is designed to give families the ability to complete any goals they want to achieve, seek employment, and build a savings account.

This form is for individuals who are interested in enrolling in the program. This form must be filled out and returned to the Fayette County Housing Authority at your earliest convenience. If you are not interested in joining the program, you do not need to fill out this form as this program is not mandatory.

Any further questions about the program or regarding this interest form you will be able to reach the program coordinator by calling or texting 724-434-2102.
